Phone 940-864-3805

Fax 940-864-3075

Email: whester@haskellcad.com

Website: www.haskellcad.org

Dear Property Owner:

We want you to be informed about the Haskell County Appraisal District and your rights as a property owner. This contains information on the Board of Director's policies and procedures for access to the Board, assistance for non-English speaking and disabled persons, and resolution of complaints to the Board.

We trust that you will contact us if we can be of any assistance. The appraisal office can answer questions and serve your needs on most matters that do not require Board attention. The office is open to serve you from 8:00am until 5:00pm weekdays.

The Haskell County Appraisal District appraises taxable property for Haskell County, six cities, six school districts, and four special districts that levy property taxes within the county's boundaries. The 17 taxing units include:

- Haskell County
- Haskell Consolidated Independent School District
- Rule Independent School District
- Paint Creek Independent School District
- Stamford Independent School District
- Knox City-O'Brien Consolidated Independent School District
- Munday Consolidated Independent School District
- City of Haskell
- City of O'Brien
- City of Rochester
- City of Rule
- City of Weinert
- City of Stamford
- Haskell County Water Supply District # 1
- Haskell County Hospital District
- North Central Texas Municipal Water Authority
- Rolling Plains Groundwater Conservation District

The appraisal district appraises approximately 13,000 property parcels annually. The district also administers exemptions and special appraisals, such as productivity valuation of qualified agricultural land, and determines the taxable location of property. The chief executive officer of the appraisal district is the Chief Appraiser.

The governing body of the district is the appraisal district's Board of Directors. The appraisal district also has an Appraisal Review Board (ARB) to hear property owners protests regarding values and other related matters.

Board of Directors

The appraisal district is a political subdivision created by the State of Texas and is responsible for the local tax appraisal, valuation, collections, and exemptions administration. The local taxing entities such as the county, schools, cities, hospital districts and ground water districts, set tax rates that allow for maintenance and operation of the entity.

The Board governs the appraisal district and consists of five directors. The Board selects the Chief Appraiser, adopts the annual district budget, selects the ARB members, and ensures that the district follows policies and procedures required by state law and state rules.

The Board does not appraise property or make decisions affecting the appraisal records. Those duties rest with the Chief Appraiser. The Board does not levy a tax on taxable property.

Public Access to the Board of Directors

By Board policy, the Board of Directors provides the public with a reasonable opportunity to address the Board concerning the policies and procedures of the appraisal district and on any issue within the Board's jurisdiction. Generally, the Board's statutory duties and jurisdiction involve:

- Adopting the district's operating budget
- Contracting for necessary services
- Hiring the Chief Appraiser and assigning responsibilities to the position
- Making general policy regarding the operation of the appraisal district
- Appointing the Appraisal Review Board (ARB) members

Board Meetings

At each regularly scheduled meeting, the Board Chair announces that each person wishing to address the Board on appraisal district policies, procedures or issues may have time to speak on an agenda item or to make public comment. The Board Chair may set a time limit so that all may have an opportunity to speak and so the Board may timely conduct its meetings.

The Board Chair may expand the time limit as needed if the expansion does not affect the ability of the Board to complete its business and adjourn the meeting at a reasonable time.

The Board may refuse to hear any person who attempts to speak on a subject unrelated to the policies and procedures of the appraisal district of the appraisal district or the ARB and unrelated to any other issue under the Board's jurisdiction [See Section 6.04(d), Tax Code].

Interpreters

If a person who does not speak English or communicates by sign language notifies the appraisal office at least three business days before the Board meeting, the appraisal district will provide an interpreter at the meeting. The person must indicate that he or she desires to address the Board and is unable to provide an interpreter.

Access by Disabled Persons

The Board meetings are held at the appraisal district building at 604 North 1st Street, Haskell, Texas. The building has van accessible parking spaces for the handicapped and ramp access is available at the building entrance.

The Board / ARB meeting room is wheelchair accessible. A person who needs additional assistance for entry or access should notify the appraisal office at least three business days before the meeting.

Policies for Resolving Complaints

The Board considers written complaints about the policies and procedures of the appraisal district, ARB, the Board of Directors, and any other matter within its jurisdiction.

The Board *cannot* consider complaints addressing any matter that could be grounds for a challenge, protest, or correction motion before the ARB as set out in the Texas Tax Code. The Board has no authority to overrule the Chief Appraiser or ARB's decision on a value, a correction, or a protest.

Complaints should be addressed to the Haskell County Appraisal District Board of Directors to the address on the first page of this document. At each regularly scheduled meeting, the Board will review any complaints, decide on a course of review and action, and set a timetable on the status of resolution, if any. Board deliberations concerning complaints will comply with provisions of the Texas Open Meetings Act, Chapter 551, Government Code. Until final disposition of a complaint, the Board will notify the parties at least quarterly on the status of a complaint unless notice would jeopardize an investigation.

The Chief Appraiser and Property Appraisals

The Chief Appraiser is the chief administrator of the appraisal office. The Chief Appraiser serves at the pleasure of the Board and is directly accountable to the Board in the discharge of duties and responsibilities. All other personnel of the appraisal office are employed and accountable to the Chief Appraiser. The Chief Appraiser may delegate authority to district employees as necessary.

The Chief Appraiser and staff appraise the properties in the appraisal district. A concern about property appraisal should be discussed first with the appraisal district's staff. Complaints that cannot be resolved at the staff level should be addressed by written protest to the ARB.

Appraisal Review Board

The ARB is composed of local citizens of Haskell County who are appointed to hear and resolve protests from property owners concerning appraisal of their properties. The

ARB's duties and a property owner's rights to protest the owner's property appraisal are explained in the Comptroller's *Property Taxpayer Remedies and Appraisal Review Board Manual*. Both of these are available at the Comptroller's website, <http://www.window.state.tx.us/taxinfo/proptax/>. A copy of the Comptroller's *Property Taxpayer Remedies* is available at the taxpayer area in the front of the appraisal district office.

Tax Calendar

The most important property tax deadlines for appraisal districts, taxing units, and property owners are listed below. When the last day for performing an act falls on a Saturday, Sunday, or legal holiday, Tax Code Section 1.06 designates the deadline as the next regular business day. Check with the appraisal office if a due date falls on the weekend or holiday.

January 1: Date that determines taxable value and homestead exemption status (Tax Code Section 23.01).

January 31: Last day to pay preceding year's property taxes without penalty and interest (Tax Code Section 31.02).

April 15: Last day for property owners to file renditions and property information reports unless they request a filing extension in writing (Tax Code Section 22.23).

May 31: Deadline for filing written protests with the Appraisal Review Board, or the 30th day after a notice of appraised value is mailed to the property owner, whichever is later (Tax Code Section 41.44).

October: Tax bills are usually mailed during this month.

The Texas Comptroller provides *Property Tax Basics*, a guide on the entire property tax system from appraisal to collection, at www.window.state.tx.us/taxinfo/proptax/basics/.
